

Talking about a movie you don't like part two

Short dialogue

Paul: Hey, that movie was **a waste of time!** It was **very predictable** and **uninspiring**.

Patrick: I agree completely! I almost fell asleep half-way through as I had no idea what was going on. The **plot was third-rate** and showed no imagination.

Paul: **I am with you on that!** The acting **left something to be desired** as well. I could have done better myself.

Patrick: The movie is definitely **going to be a flop**.

Positive adjectives

Meaning

A waste of time

This means that you have done something that has no meaning. There was no point in doing it.

Predictable

This means it is very clear what will happen. It is very clear and obvious.

Uninspiring

This means that something is not exciting or interesting. It makes you feel bored.

The plot was third-rate

The plot is the storyline. If it's third-rate it is of very low quality and very bad.

Left something to be desired

This means that something is not very good at all. You can also say rubbish or awful.

A flop / It flopped

If a movie is a 'flop' it was not successful. Not many people liked it.
