

Talking about movies

- Paul:** The movie last night was great. I thought the actors were perfect for the movie.
- Patrick:** I agree mate! The director was good too as it was entertaining throughout. The soundtrack almost had me dancing!
- Paul:** Ha Ha. The plot was great too as you didn't know what was going to happen until the end. I was on the edge of my seat the whole movie.
- Patrick:** Tell me about it! I can't believe the protagonist was really the antagonist!
- Paul:** I can't wait for the sequel.
